I. COURSE SEQUENCING AND PREREQUISITES

The Kinesiology curriculum is sequenced, meaning you must complete certain prerequisite courses prior to enrolling in certain 400 level KINE courses. The purpose of course sequencing is to present material in a logical way that helps lay the foundation for students to be successful in the courses that follow. The prerequisites must be completed with a C or better before students can enroll in KINE 426, 427, 428, 433, 435, 439, 483 and 484. Students will not be permitted to enroll in these courses without completing the prerequisites. See spreadsheet page for additional course pre-requisite information.

II. DESIGNATED ELECTIVES FOR APPLIED EXERCISE PHYSIOLOGY OPTION

III. KINE 199 REQUIREMENTS FOR AEP

AEP KINE 199 Requirements	
KINE 199 Majors Resist Flex	KINE 199 Majors Aerobic Movement

Here are the rules that apply to your KINE 199 requirement

1. **You must take both KINE 199's from the chart**
2. **You must take these courses for a grade. They cannot be taken Pass/Fail**
3. **You must take these courses at Texas A&M. These courses cannot be transferred in**
4. **You should complete required KINE 199's before taking others for fun**

IV. PROGRESS TOWARDS DEGREE

Student Rule 1.5.1 states, "A student is expected to register for a schedule of courses that follows the program of study for a degree in his or her college. A student who elects not to follow the program of study must obtain approval from his or her academic advisor. A student who fails to obtain approval may be held from registration, removed from the inappropriate course(s) and/or required to register for a prescribed schedule of courses"

Periodically advisors will check to make sure you are taking classes towards your degree. If you are planning to change majors or take prerequisites for professional school, please let your advisor know.

Student Rule 12.1 – 12.2 - Students must maintain a 2.5 or higher GPA at all times. Those who do not meet the minimum GPA requirements may be placed on academic probation or dismissed from their major.

V. UNDERGRADUATE DEGREE PLANNER REQUIREMENT

All students are required by TEC§51.9685 (formerly House Bill 3025) to complete an online undergraduate degree plan once every year until graduation. The Undergraduate Degree Planner and a guide to complete it are in Howdy on the My Record tab under the Undergraduate Degree Planner channel. This is not a substitute for advising and approval of your Undergraduate Degree Planner does NOT ensure you are meeting all of the requirements for graduation. The Degree Planner opens for submission on March 1st and is due for Kinesiology students by August 1st. The Degree Planner is accessible at any time to plan future semesters. **NOTE:** When students complete 30+ credit hours they will be notified and required to complete and submit their undergraduate degree planner, even if it is their first semester. The degree planner must be approved before you can register for the following semesters courses.

VI. REQUIREMENTS FOR INTERNSHIP

1. Submit application to intern. Applications are submitted the semester you take your last bolded course.
2. Minimum GPR Requirement: 2.5 Overall at Texas A&M.
3. Completion of all bolded course work by the end of the application semester.
4. Be aware the internship is competitive based, and applications will be reviewed by Kinesiology faculty committee.

VII. REQUIREMENTS FOR GRADUATION

1. Submit departmental *Intent to Graduate* survey by the deadline (announced each semester): **two (2) semesters before intended graduation semester.**
2. Minimum GPR requirement: 2.5 overall at Texas A&M.
3. Complete all required coursework with the minimum required grade.
4. Apply for graduation and pay the diploma fee the semester you are graduating.
5. Transfer all applicable courses to Texas A&M by the registrars' deadline.
6. More information can be found on <http://graduation.tamu.edu/>

Applied Exercise Physiology Catalog 202331

This degree plan has been laid out showing students the number of hours they should take each semester in order to complete the degree in four years. This is a *suggested* plan, students may opt to take their courses differently based on their individual situation. Students should use this document in conjunction with the curriculum spreadsheet, a copy of their degree plan, and meeting with their academic advisor when scheduling courses each semester. Students should be mindful that they need to complete all of the bolded prerequisite courses before they will be allowed to take the shaded upper level KINE courses.
