**GENERAL RULES  
BS-KINE & MS-ATTR (ETR)  
CATALOG 202431**

**I. COURSE SEQUENCING AND PREREQUISITES**

The Kinesiology curriculum is sequenced, meaning you must complete certain prerequisite courses prior to enrolling in certain 400 level KINE courses. The purpose of course sequencing is to present material in a logical way that helps lay the foundation for students to be successful in the courses that follow. The prerequisites must be completed with a C or better before students can enroll in KINE 426, 428, 433 and 435. Students will not be permitted to enroll in these courses without completing the prerequisites. See spreadsheet page for additional course pre-requisite information.

**II. DESIGNATED ELECTIVES FOR ETR OPTION**

ETR does not have general electives. Instead of electives, students take Athletic Training fieldwork and Graduate level courses.

**III. KINE 199 REQUIREMENTS FOR ETR**

Aerobic Requirement		Strength Training Requirement
<ul style="list-style-type: none"> <li>• Action Ball</li> <li>• Aerobic Movement</li> <li>• Aerobic Running/Walking</li> <li>• Majors Aquatics</li> <li>• Badminton/Racquetball</li> <li>• Basketball</li> <li>• Boot Camp*</li> <li>• Cardio Fitness Swimming</li> <li>• Cardio Kickboxing</li> <li>• Handball</li> <li>• Hockey</li> <li>• Indoor Cycling</li> </ul>	<ul style="list-style-type: none"> <li>• Majors Fitness</li> <li>• Obstacle Course*</li> <li>• Pickleball</li> <li>• Soccer</li> <li>• Spikeball</li> <li>• Step</li> <li>• Swimming</li> <li>• Tennis</li> <li>• Trail Running</li> <li>• Triathlon Training</li> <li>• Volleyball</li> <li>• Zumba</li> </ul>	<ul style="list-style-type: none"> <li>• Boot Camp*</li> <li>• Majors Resist/Flex</li> <li>• Obstacle Course*</li> <li>• Pilates</li> <li>• Strength Training</li> <li>• Tone and Flex</li> <li>• X-Fit/Extreme Fitness</li> <li>• Yoga</li> </ul>

Here are the rules that apply to your KINE 199 requirements

- 1. You must take at least one KINE 199 from each column in the chart at Texas A&M**
- 2. May be taken for a letter grade or Pass/Fail. Must change to a letter grade by Q-drop deadline.**
- 3. \*You cannot take this same course twice to count for both Aerobic and Strength Training requirement**
- 4. You should complete required KINE 199's before taking others for fun**

#### IV. PROGRESS TOWARDS DEGREE

Student Rule 1.5.1 states, “A student is expected to register for a schedule of courses that follows the program of study for a degree in his or her college. A student who elects not to follow the program of study must obtain approval from his or her academic advisor. A student who fails to obtain approval may be held from registration, removed from the inappropriate course(s) and/or required to register for a prescribed schedule of courses”

Periodically advisors will check to make sure you are taking classes towards your degree. If you are planning to change majors or take prerequisites for professional school, please let your advisor know.

Student Rule 12.1 – 12.2 - Students must maintain a 2.5 or higher GPA at all times. Those who do not meet the minimum GPA requirements may be placed on academic probation or dismissed from their major.

#### V. UNDERGRADUATE DEGREE PLANNER REQUIREMENT

The Undergraduate Degree Planner (UGDP) is an electronic tool that allows students to create a four-year layout of degree requirements to map out a tentative graduation timeline. The UGDP is in Howdy and accessible at any time to edit or plan future semesters. Students are encouraged to update their UGDP each semester to prepare for class registration, stay on track with course sequencing, and prepare for academic advising meetings. **The UGDP is not a substitute for advising.** Completion of your UGDP does NOT ensure you are meeting all the requirements for graduation or that your courses will be available in the semester(s) you plan.

#### VI. REQUIREMENTS FOR ADMISSION TO THE GRADUATE PHASE OF THE PROGRAM

1. Submit application forms to the MSAT program by January 15<sup>th</sup> of your third year.
2. Minimum undergraduate GPA of **3.25** for undergraduate and graduate coursework counting on the undergraduate degree plan.
  - a. GPA of **3.25** must be achieved by the end of a student’s third fall semester to be considered for admission.
3. Applicants must have received a “B” or better in the following courses:
  - a. ATTR 201, ATTR 202, ATTR 301 and ATTR 302
4. Students not accepted into the graduate phase of the BS-KINE/MS-ATTR program will complete the remaining requirements for the BS degree in Kinesiology in a concentration that is most suitable to their needs (e.g., Motor Behavior or Applied Exercise Physiology) so long as they are meeting Kinesiology degree requirements. These students may apply to the traditional MS-ATTR graduate degree program.

#### VII. REQUIREMENTS FOR GRADUATION

1. Minimum GPR requirement: **3.25** overall at A&M.
2. Complete all required coursework with the minimum required grade.
  - a. A grade of “B” or better must be made in each of the following: ATTR 201, ATTR 202, ATTR 301 and ATTR 302.
3. Students continuing into the 4<sup>th</sup> year of the BS-KINE/MS-ATTR program must finish the entire 156 hours to obtain both the Bachelor’s and Master’s degrees. These students will be conferred with two degrees once they complete the 5<sup>th</sup> year of the concurrent program.
  - a. Students will take 96 hours of undergraduate courses, and 60 hours of graduate course work, of which 24 hours will be applied to the undergraduate degree.
4. Students in the BS-KINE/MS-ATTR program will be required to complete the same two-year, 60 hours curriculum as other students admitted to the MSAT program.
5. Apply for Graduation and pay diploma fee the semester you are graduating.
6. Graduation: both Bachelor’s and Master’s degrees conferred upon completion of Year 5
7. More information can be found on <http://graduation.tamu.edu/>

*\*Everything in this degree plan packet is subject to change\**

# BS-KINE/MS-ATTR (ETR)

## Catalog 202431

This degree plan has been laid out showing students the number of hours they should take each semester to complete the undergraduate portion of the degree in three years. This is a *suggested* plan, students may opt to take their courses differently based on their individual situation. Students should use this document in conjunction with the curriculum spreadsheet, a copy of their degree plan, and meeting with an academic advisor when scheduling courses each semester. Students should be mindful that they need to complete all of the bolded prerequisite courses before they can take the shaded upper level KINE courses.
