KINE 624	Pedagogical Research in Physical Education	3
KINE 627	Exercise Biomechanics	3
KINE 628	Nutrition in Sport and Exercise	3
KINE 629	Physiology of Strength and Conditioning	3
KINE 681	Seminar	1–3
KINE 685	Directed Studies in Sport Pedagogy	3–6
KINE 690	Theory of Research in Discipline	3
Electives	As Approved by Faculty Advisor	≥ 16
MINIMUM TOTAL		36

ADVISOR-DIRECTED ELECTIVE CONSIDERATIONS

Course electives must be chosen with prior advisor approval before the student enrolls in the course or includes it on their degree plan. Other courses not on this list may be chosen with prior advisor approval.

Course ID	Course Title	Credit Hours
EDCI 601	Disciplinary Knowledge and Research in Curriculum and Instruction	3
EDCI 605	Qualitative Research Methods in Curriculum and Instruction	3
EPSY 603	Qualitative Methodologies in Educational Research	3
EPSY 635	Educational Statistics	3
EPSY 636	Techniques of Research	3
EDAD 615	School Superintendency	3
EDCI 603	Professional Development Strategies for Teachers	3
EDCI 638	Trends in Curriculum & Instruction	3
EDCI 634	Reflective Inquiry	3
EDCI 636	Educator as Researcher	3
EDCI 644	Curriculum Development	3
EDCI 673	Analysis of Teaching Behavior	3
EDCI 715	Academic Writing for Graduate Students	3
EPSY 602	Educational Psychology	3
EPSY 606	Motivation & Learning	3
EPSY 634	Educational Neuroscience	3

SAMPLE FOUR-SEMESTER STUDY PLAN

1st Fall	Credit Hours
KINE 601 Reading Research in Publications in Kinesiology	3
KINE 690 Theory of Research in Discipline	3
EDCI 601 Disciplinary Knowledge and Research in Curriculum and Instruction	3
Total	9

1st Spring	Credit Hours
KINE 622 Supervision of Health and Kinesiology	3
KINE 681 Seminar	1
KINE 685 Directed Studies	2
EPSY 602 Educational Psychology	3
Total	9

2nd Fall	Credit Hours
KINE 624 Pedagogical Research in Physical Education	3
EDCI 644 Curriculum Development	3
EPSY 606 Motivation & Learning	3
Total	9

2nd Spring	Credit Hours
KINE 685 Directed Studies	3
EDAD 615 School Superintendency	3
EDCI 636 Educator as Researcher	3
Total	9
